FIRST BAPTIST STOCK TAKING

MID-WEEK DEVOTIONAL SERVICES AT THE FIRST BAPTIST CHURCH TONIGHT WILL BE APPROPRIATE.

The mid-week devotional services of the First Baptist church tonight will be fitting for the New Year's eve and will be in the nature of a "stock taking."

An exceptionally interesting program has been arranged for the occasion in which a number of laymen as well as the pastor will participate. There will be a trombone solo by Mr. Greenbat. Vocal solo by Miss Ella Wentworth, and duets by Mrs. Whitfield and Miss Wentworth and the Misses Bryars.

Election of officers for the ensuing term will occur immediately after the services.

Every member of the church is urged to be present and the public in general, especially strangers in the city are cordially invited to attend. Services will begin promptly at half past seven o'clock.

MAYOR TO GET LARGE SUPPLY DOGWOOD TREES

WILL HAVE SOME SET OUT IN VARIOUS PARKS OF THE CITY, FOLLOWING OUT PLAN FOR IMPROVEMENT OF CITY SQUARES

Mayor Greenhut said yesterday that he proposed to get a supply of the beautiful dogwood trees in a short time, and information from Mr. Kemble, the city's landscape gardener, that trees were easily procurable very close to the city, and that he would go for them himself, was gladly received by the mayor, and Mr. Kemble will go to Floridatown very soon and himself select such trees as he deems suitable for city planting. Mr. Kemble told Mayor Greenhut yesterday that dogwood trees are plentiful in the Floridatown vicinity and that within the next ten days, he would be at liberty himself to make a trip up there and secure a supply for experimental planting.

The mayor was very much gratified at the manner in which his efforts at park improvement have been received by the people. In the improvement of Grenada square, he said, the work cost a little more than had at first been figured, but there was no regretting the amount spent, because it was appreciated by the people so highly. In the work at Malaga square, however, but a single protest was received, and that was because the trees were being trimmed "too high up," the mayor was told. Outside of that slight protest however, all others in that part of the city are well pleased.

Mayor Greenhut said yesterday that Georgia square, on Palafox hill would be the next one worked on, with a view of improving conditions there. Other squares will be given attention just as rapidly and as freely as times and funds would permit.

CLOTHES AND SHOES NEEDED

PROBATION OFFICER PAULSEN SAID THAT HE IS FORCED TO TURN DOWN MANY REQUESTS BECAUSE OF NO ARTICLES ON HAND.

Clothes and shoes are badly needed in the city, and Probation Officer H. Paulsen said yesterday that the demand made upon his office since Christmas has been extra heavy, and that he is in need of shoes for children, for the most part. Clothing for boys and girls are also badly wanted, and he said that anyone calling him up at his office will be given all the information needed on the question. He said that children's shoes are particularly badly needed.

Two or three weeks before Christmas enormous quantities of clothes and shoes were distributed by Mr. Paulsen. At one time it was a problem where to put all the articles offered by the good people of the city of Pensacola, but the garments, as well as the shoes, found ready claimants, and none were given, either, to people who were not worthy to receive them. Several kind-hearted citizens gave orders for six or more pairs of new shoes on different shoe dealers, and these were gladly received. Many a child who otherwise would be poorly provided for so far as footwear is concerned, would have fared rather shabbily had not the probation officer interested himself in their behalf and had assembled a large amount of warm clothing from kind-hearted Pensacolians, and had also obtained a large supply of shoes.

SPRING STYLES WILL SEE THE PASSING OF THE SLENDER SKIRT; MANY REPINE

The National Suit and Skirt Manufacturers' association recently assembled at Toledo decided to do away with the tight skirts that have had such favor in the past and to replace them with pleated skirts of greater width. The latter proportions of the frail sex will no longer be as clearly displayed as heretofore. It is thought that this will move many to exasperation.

AMUSEMENTS.

At the Isis.
"The Master Key," one of the greatest serial pictures run at the Isis is on the bill for today and it shows vividly how a plucky girl battles with the forces of the underworld and wins.

In the fifth installment of John Fleming Wilson's dramatic photoplay of love and adventure, "The Master Key," the action of the drama is transferred to San Francisco. The gay hotel life of the far western metropolis figures in the latest episode of the serial, while a visit to Chinatown gives one a glimpse into the Oriental colony which has grown up in the coast city since the memorable fire of 1906.

The catastrophe which eight years ago laid waste the metropolis of the Pacific coast barred dozens of long tunnels leading from one dive to another in the old Chinatown. These tunnels served to recall the many mysterious "disappearances" and murders which had taken place in years past in the yellow light district.

It is now reported that the Chinese, who have reconstructed their resorts since the quake, have again built similar underground tunnels to facilitate their escape in case of pursuit by the police. It is in one of these resorts well known now to the San Francisco police, that the concluding phase of the fifth episode of "The Master Key" is laid.

HOUSE BREAKER GIVEN ONE YEAR

WILL SPEED, DARKEY FROM OTHER SECTIONS OF FLORIDA, GOES TO STATE CONVICT CAMPS, FOR TWELVE MONTHS.

Will Speed, a negro who was caught inside a fashionable boarding house on Wright street a few nights ago, pleaded guilty before Judge Kirk Monroe, to a charge of breaking and entering, and was sentenced to one year in the state convict camps. Speed, upon being arrested by Dep. J. Marble, stated that he was from Jacksonville, and that he meant no harm in being inside the house referred to. He said the door was ajar when he turned the knob and walked in, but this was not so, and was shown to have been untruthful when he was searched, for the lock which he had broken was found in his pocket. He pleaded guilty to the charge as above mentioned and was sent up for a year.

Other Sentences.
Other prisoners who appeared in the court of record and pleaded guilty were the following:
Charles Pickle, Tom Davis, Charles Mayer, John Mikkel and Charles Lydnam, all white and charged with vagrancy, were sentenced to 45 days.
Robert Hawthorne, colored, charged with obtaining goods under false pretenses, 60 days in the county jail.
Floyd Robinson and Walter Swan, engaging in an affray, Robinson was sentenced to sixty days, while Swan got six months.
David Hynes, larceny; 60 days.

WILL G. DAILY A "KNIGHT" NOW

PENSACOLA MAN, WELL-KNOWN FROM LONG-TIME RESIDENCE HERE, TRAVELS OVER ENTIRE STATE OF FLORIDA—VISITING HERE.

Friends of Will G. Dailey, who was city treasure for one term, and who is well-known here, have been happy to greet him during the holidays. Mr. Dailey now visiting his family in Pensacola for a few days. He expects to return to Miami about next Monday.

Mr. Dailey is a full-fledged "knight of the grip" now, and his territory embraces the entire state of Florida, and parts of the states of Alabama and Georgia, with headquarters at Miami. Florida is such a big state, he intimated yesterday, that three or four round trips per year was a good record. In fact about three visits to his every Florida customer is about all he can negotiate during the space of a year. Then he has customers in the states of Alabama and Georgia whom he has to see in his travels, and it keeps him on the move very near all the time.

With all his travels, however, Mr. Dailey said yesterday that he still holds to Pensacola as his home and his voting place. His family resides here, and it was for the purpose of visiting them that he is here at present.
